

TRINITY CHARTER

UPPER KEY STAGE TWO

NAME:

LEARNING - LOVING - LIVING

OUR ETHOS STATEMENT

WE ARE A LEARNING COMMUNITY

WE ARE A LOVING FAMILY

WE ARE LIVING GOOD LIVES

At Trinity we believe that children are entitled to a broad and balanced curriculum that develops the whole child. With this entitlement, our children will have access to new experiences and have a life-enhancing encounter with the Christian faith.

Firmly rooted in our ethos, the charter aims to support pupils in flourishing both in and outside the classroom. It aims to develop pupils' skills of independence and perseverance, to encourage selflessness and compassion and help build a sense of kindness and curiosity in the world around them.

The Charter will support pupils in building their cultural capital, in recognising and developing the skills and attributes they already have and will challenge them to think strategically about how they can enhance their education beyond the classroom.

Our Merit Charter is built around a range of experiences that all children will gain whilst attending our school.

The Distinction Charter is a collection of additional achievements that children can choose to accomplish over the Key Stage. For this element of the charter, the children must share their accomplishments with their class and share any supporting photographs, certificates or evidence they may have.

At the end of the Key Stage, the children will receive their award during a special worship and they will progress onto the next stage.
