Mental Health and Wellbeing	GCSE PE / OCR and all students in lessons. Large numbers attending Table Tennis clubs	<ul style="list-style-type: none"> Table Tennis is a great sport for students to be assessed in as part of their GCSE. With only 5 tables and 1 being broken it makes this hard to teach a whole class to a high standard. OCR – Part of this course can include table tennis and something that the lower ability can succeed more than other sports 4 x Table Tennis Tables Butterfly Fitness Rollaway Indoor Table Tennis Table £ 249.99 Amazon Total £1000	<ul style="list-style-type: none"> More GCSE Students have access to play table tennis. This counting as one of their 3 sports to be assessed. An immediate improvement in performance due to more table time and practice Younger year groups at clubs gaining access to the sport as very limited due to a lack of tables. Currently 25 year 7's at the weekly club using 5 tables! Higher grades in GCSE due to gaining a higher mark in Table Tennis prior to written exam. Give an opportunity for those less able to participate in other sports to a good level a chance to succeed. More students gaining a higher mark in this sport. Higher number of students choosing GCSE PE as an option. Students can access a table at the club and in lesson times More uptake of GCSE PE due to engagement in PE lessons Impact from low / high stakes testing and ultimate impact on outcomes. 	Lessons can now have 18 students playing at one time with no one standing off. Excellent quality tables can be used for GCSE AQA videos. Students increasing their level of play for both OCR / GCSE as used as the main individual sports for each course.
Curriculum	All students by allowing fitness to be taught outside	3 x Wireless Speakers Amazon Bluetooth speaker, Votomy 30W portable speakers wireless with IP67 waterproof, super bass, loud stereo sound, 100 foot range £60.79 Total £200	<ul style="list-style-type: none"> Fitness sessions can take place outside in lessons that require a sound system e.g: Bleep Test Student's can take part in fitness testing and sessions with music using more facilities increasing the amount of engagement. Use our facilities more effectively Increase levels of fitness across the school by using outside areas for fitness sessions – impact on obesity 	Speakers used outside for fitness testing – More students can have space to complete the multi stage fitness test.
Mental Health and Well being	KS4 – Year 10 + 11	The older year groups have options in PE and fitness is one of them. More students can have access to rowers alongside our other equipment making this more like a gym session. Educating all students that fitness can be fun and enjoyable. 4 x Rowing Machines £ 199.99 Total £800 Amazon	<ul style="list-style-type: none"> Fitness lessons can be more effective with extra cardio equipment to use. Much like a gym outside of school students can experience how to use these rowers and the benefit on their health and fitness Lessons more dynamic and engaging for all KS4 students. Offering something different More dynamic curriculum Increased engagement in KS4 PE Increase cardiovascular fitness Positive impact on Obesity and general well being 	Rowing machines have been excellent for all students particularly KS4. Increased engagement providing the students with something different and like a real environment

Curriculum	GCSE PE pupils This would be suitable for all GCSE students in years 9,10 and 11	GCSE Revision workbooks AQA Amazon 5.99 x 20 £120	<ul style="list-style-type: none"> - Used in GCSE lessons. Promote HW and knowledge including prior reading before lessons. - Used in every lesson. Excellent bank of AQA questions on every topic. - Used alongside their exercise books as an assessment tool for understanding - Increase knowledge of GCSE PE content therefore giving students the best chance of achieving higher grades. - Encourage independent leaning both at home and in the lesson. - Gain an understanding of how questions are structured by using this book on a weekly basis throughout the whole course. - Increased GCSE theory knowledge = higher grades 	<p>Students are using these for nearly every theory lesson. This has given them the opportunity to practice exam questions that relate to certain topics.</p> <p>These have been used for HW tasks</p> <p>Students self-mark getting used to AQA mark schemes.</p> <p>These have been amazing for revision purposes.</p>
