

EXECUTIVE HEADTEACHER'S WELCOME

Executive Headteacher
Mr David Lucas

Happy Half Term everyone...

We have worked hard all this term and now it is time for a rest. Time to recharge our batteries. We have had a fantastic week. Our primary phase had a street party for the jubilee – celebrating the amazing achievement of the Queen. Our year 6 had a fantastic time at Land and Wave for their residential – they made many memories AND our year 11 pupils have survived the first two weeks of their public exams. What an achievement. PERSONAL DEVELOPMENT

13 STUDENTS TOOK A TRIP TO THE POLISH INSTITUTE AND SIKORSKI MUSEUM ON WEDNESDAY 25TH OF MAY.

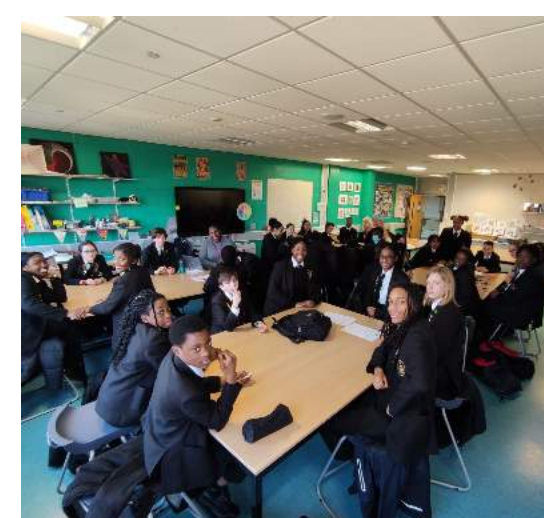

The museum holds over 20,000 artefacts linking to Polish history including a few which are the only ones left available in the world. Trinitarians enjoyed learning about the bear that went to war, Christine Granville a Polish-British intelligence agent and seeing all the artillery amongst the many things on show there.

HOUSE CAPTAIN ACTIVITIES

The House captains started to plan the activities for the picnic day at Greenwich Park on Friday 15th July. We will certainly keep some popular games such as football for each year group and we will be adding other exciting games/activities chosen by our House captains.

The House captains will also run a stall on the Manor Gardens Festival on Saturday 16th June. Fun activities will be available for the community and all funds raised will be going towards our local charities."
