## School fund voluntary donations

The Governors and staff at Trinity are continually looking at ways to develop and improve the school and we are proud of the welcoming and stimulating learning environment that we provide for our children. Many developments to date have greatly enhanced the school buildings and facilities. We have a rolling programme to continue the development of our school and enhance learning even further. Things we would like to do in the near future include:

- Replacing the School Mini Bus
- Continue our rolling playground refurbishment projects.
- Updating the schools IT equipment.
- Improving Learning environments
- Improving the School Gym

Unfortunately we have seen a reduction in funding over the last few years and we do not have the resources to pay for all such items from the school's main budget, but by collecting voluntary donations for our School Trust Fund, we can make a real difference to the education we can provide for you children. Therefore, we would like to invite all families to make a voluntary contribution by standing order of £3, £5 or £ 10 per month. Anyone who is unable to make this level of donation is welcome to make a smaller contribution and/or perhaps give their time to help in school or at PTFA fund-raising events. Alternatively if you would prefer not to pay monthly, then a single payment can be made (Cheques should be made payable to Trinity School Suspense Account). Payment details are at the end of this letter. Please complete the form with your bank details and the amount that you would like to donate and then return to the school at the above address. Of course these donations are voluntary and not a requirement.

Many thanks for your support and please do not hesitate to let us know if you have further ideas about how we can use and develop the Trinity All Through School Trust Fund.

Yours sincerely

David Lucas
