

Summer Homework Pack- Year 10

Throughout the summer months it is important that pupils have a rest, get out in the fresh air and enjoy time with family and friends. Alongside this pupils also need to keep their brains and memories active so that when they return to school in September they can seamlessly slot back into learning mode. In order to support pupils in this we have put together an activity pack that pupils can work on throughout the summer.

Subject	Activity Description	Information/Resources
English	Common Lit Log on to Common Lit for a variety of reading tasks. Answer the questions as you go along to reveal the next part of text.	Sign up link: https://www.commonlit.org/en/register/student?class_code=5N6Q5N CODE: 5N6Q5N
Maths	Maths Watch 5 week schedule	Login, watch the set of videos for that day, answer the online questions and make revision card. All is also on Show My Homework.
