

Trinity All Through School

PUPIL PREMIUM GRANT EXPENDITURE 2019-20

In order to plan support that has a proven impact, we are using strategies identified by the **Education Endowment Foundation/Sutton Trust research**. The support provided is tailored to needs of the pupils in each phase, therefore the interventions that are required differ across the phases.

- Interventions in all Key Stages (EYFS-KS4)
- Small group tuition
- Parental involvement
- Personalised home learning
- Independent learning strategies
- Social and emotional learning support
- Use of digital technology to support learning
- Effective feedback from all staff
- Oral language interventions (Primary Phase)
- Explicit reading comprehension interventions
- Explicit and systematic phonics teaching (Primary Phase)
- Peer Tutoring sessions
- Specific work on post 16 destinations (Secondary Phase)
- Behaviour interventions

Trinity All Through School

Characteristics of effective spending

1. Spending on improving teaching might include professional development, training and support for early career teachers and recruitment and retention. Ensuring an effective teacher is in front of every class, and that every teacher is supported to keep improving, is the key ingredient of a successful school and should rightly be the top priority for Pupil Premium spending.
2. Evidence consistently shows the positive impact that targeted academic support can have, including on those who are not making good progress across the spectrum of achievement. Considering how classroom teachers and teaching assistants can provide targeted academic support, including how to link structured one-to-one or small group intervention to classroom teaching, is likely to be a key component of an effective Pupil Premium strategy
3. Wider strategies relate to the most significant non-academic barriers to success in school, including attendance, behaviour and social and emotional support. While many barriers may be common between schools, it is also likely that the specific features of the community each school serves will affect spending in this category.

Trinity All Through School

Below we have outlined the main barriers to future attainment for pupils receiving the Pupil Premium Grant at Trinity.

Main barriers:	
A	The progress and attainment of disadvantaged pupils is lower than other pupils, this gap needs to narrow.
B	Social and emotional difficulties for small group of student mean they require additional support. This often affects their attention and concentration in class, their attitude towards learning, and their behaviour, leading to lower outcome and progress made.
C	A high proportion of parents are unfamiliar with the education system in the UK, or sometimes have had a negative/ unsuccessful experience schooling themselves. Therefore they need guidance and support on how to support positively their children's learning at home and school.
D	Attendance and punctuality of those in receipt of pupil premium funding is below that of those without funding and nationally
E	Oral language skills are lower for children eligible for PP when entering reception than other pupils. (Primary Phase)
F	A high proportion of children have a narrow life experiences outside of school.
G	Some pupils struggle to learn independently. They lack confidence and resilience and this is affecting their progress (Secondary Phase).
H	There are a significant number of pupils in the secondary phase who are 'Looked After Children' (LAC)

Trinity All Through School

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	999
Total number of pupils eligible for PPG in Primary Phase	107
Total number of pupils eligible for PPG in Secondary Phase	229
Amount of PPG received per pupil in Primary Phase	£ 1,320
Amount of PPG received per pupil in Secondary Phase	£ 935
Amount of PPG+ received per pupil (CLA)	This money is allocated via Lewisham Virtual School on a needs basis.
Total amount of PPG received	£ 351,110

Trinity All Through School

Secondary Phase Allocation

Main Barrier	Actions and Impact	Funding	Monitoring timescale
<p>A: The progress and attainment of disadvantaged pupils is lower than other pupils, this gap needs to narrow.</p>	<p>Year 11:</p> <p>Year 11 results in 2019 showed there is a progress gap of 1/4 grade between those in receipt of pupil premium and those who are not. The attainment 8 gap is 0.16 of a grade with those in receipt of PP funding now achieving an average grade of 4.2. This gap continues to narrow from previous years but still something we want to close. In order to do this in Year 11 we are going to:</p> <ol style="list-style-type: none"> 1. Individual revision timetables for PP pupils set up by the PP champion. 2. Another set of individual interviews for each PP pupil in year 11 in September and then a 3rd interview for those pupils who are still at risk of underachieving after the Autumn/Winter PPEs. These are to be conducted by the schools senior leadership team, the year progress leader, pupil premium champion and Inclusion department. 3. Interventions (including morning, afternoon, weekend and holiday subject specific study sessions) made available for all PP pupils in small class sizes as/when needed (maximum 20 pupils per group). 4. Specific 'Raising Attainment and Progress (RAP) team focus, support and intervention for underachieving pupils in receipt of PP funding. 5. SENECA learning offered to pupils who are underachieving. 6. Specific focus from the PP Champion on extended writing skills and resilience in examinations. <p>For all Secondary Pupils:</p>	<p>Pupil Premium staff team £43,389</p> <p>SENECA learning £520</p> <p>RAP strategy £43,151</p> <p>Interventions £50,000</p>	<p>July 2020</p>

Trinity All Through School

	<ul style="list-style-type: none"> • Embed the work of the dedicated 'PP Champion' for pupils in receipt of Pupil Premium funding. Initial focus on pupils in Year 11 but then filtering to other year groups. • Ensure all staff are aware of the PP in their classes. • Seating plans for each teacher to ensure the PP and all groups are clearly identified for the teachers planning and for any visitor to the classroom. • Class teachers to clearly identify strategies on their class sheets to improve outcomes for PP pupils. • Each subject leader to identify key PP underachievers in each year group at the end of each reporting round and centrally organise intervention that is monitored for impact between reporting windows. • Each PP pupil to have a 'mini IEP', so that their individual needs are being met across the school – to be constructed by each year progress leader. • Case studies to be conducted for pupils in each year group by year progress leaders to inform future practice. 		
<p>B: Social and emotional difficulties for a small group of pupils mean they require additional support.</p>	<p>Year 11:</p> <ol style="list-style-type: none"> 1. Year Progress Leader to run a series of assemblies on wellbeing. A specific assembly will be delivered for PP pupils alone to highlight wellbeing, behaviour for learning amongst other topics. 2. 'Mindfulness' sessions for year 11 pupils. PP pupils given priority to attend. <p>For all Secondary pupils:</p> <ul style="list-style-type: none"> • Use of Pupil Premium Champion to support all pupils but those specifically underachieving. • Use of whole school mentor team and restorative justice to support all pupils. • Drama Therapy sessions for targeted pupils. • Use of school counsellor for specific pupils (see mental health policy and provision mapping on the school website for further details). 	<p>Mindfulness sessions for year 11 £875</p> <p>Drama therapy £8,320</p> <p>SEMH counselling and support £16,185</p> <p>Chaplaincy support £6,000</p>	<p>July 2020</p>

Trinity All Through School

	<ul style="list-style-type: none"> • Pupils provided with a safe space to talk about serious issues in their lives (Chaplaincy). • Support for pupils who are unable (due to many reasons) to access their education in a mainstream setting. These pupils are able to access an appropriate alternative curriculum which meets their needs and allows them to have good attendance, make progress and have progression post 16 (so they are not NEET). NWS intervention to target pupils on a 1 to 1 basis who are at risk of exclusion or on managed moves. • PP Champion to continue introducing Year 10 'peer buddies' to support younger pupils. They will be exposed to a full training programme prior to commencing the mentoring. 		
<p>C: A high proportion of parents are unfamiliar with the education system in the UK. Therefore they need guidance and support on how to support their children at home.</p>	<p>Year 11:</p> <ol style="list-style-type: none"> 1. Second GCSE information evening focusing on 6th form applications, pupil wellbeing and the full year 11 strategy shared with all parents. Following this, parents of PP pupils invited for individual interviews with designated member of senior leadership team, YPL or PP Champion. 2. Year 11 family group leaders to contact all parents in their tutor group termly to offer any school support and guidance about the forthcoming examinations. <p>For all Secondary pupils:</p> <ul style="list-style-type: none"> • Parents information evenings (EG GCSE information evening, options meetings, post 16 evening) for all year groups. All pupils and parents given the opportunity to be fully informed about their child's education and future steps. Parents are supported in ways to help their children. These evenings are in addition to the normal yearly parents evenings. • Weekly newsletter produced containing key information about school life and articles about how to support pupils. • Termly 'parent forums' led by members of the schools senior leadership team on key school issues EG transition, behaviour for learning, the curriculum offer, etc. 	<p>Year 11 family group teachers cost for 1 hour per week £6,650</p> <p>App £1,000</p>	<p>July 2020</p>

Trinity All Through School

	<ul style="list-style-type: none"> • Introduction of the new school App to improve communication lines between school and home. • Knowledge organisers given to all pupils/parents termly which contain key information about how to help child learn at home. 		
<p>D: Attendance of those in receipt of pupil premium funding is slightly below other pupils.</p>	<p>Year 11:</p> <ol style="list-style-type: none"> 1. Breakfast clubs arranged during PPE weeks and PP pupils given priority attendance. 2. Weekly YPL and attendance officer meetings – those PP pupils under 96% attendance monitored and action taken where necessary. 3. Incentives (EG free prom tickets) given to PP pupils who have shown significant improvement in attendance and are near or above NA. 4. Attendance officer part of the RAP team and monitors attendance of PP pupils via these meetings. <p>For all Secondary Year Groups:</p> <ul style="list-style-type: none"> • 2016/17 – PP pupils attendance 93.27% with persistent attendance above 20%. 2017/18 - PP pupils attendance 94.81%. Persistent absence 10.13%. 2018/19 – PP pupils attendance 96.03%. Persistent absence 5.45% <p>Although there has been a significant increase in attendance of PP pupils there is still a gap to the whole school (96.56%). The aim is to continue increasing PP attendance to match whole school attendance using the YPL meetings as the driving force behind this movement. Each week, YPLs will be given a list of pupils who have a declining attendance trend and they will put strategies in place to reverse this trend (EG phone calls home, home visits, breakfast clubs)</p> <ul style="list-style-type: none"> • The PP Champion to work regularly with the attendance, welfare and safeguarding officer on attendance issues surrounding PP pupils. 	<p>Attendance support £2,213</p> <p>Cost of breakfasts £500</p> <p>£100 for rewards and incentives</p>	<p>July 2020</p>

Trinity All Through School

<p>F: A high proportion of children have a narrow life experiences outside of school &</p> <p>G: Some pupils struggle to learn independently. They lack confidence and resilience and this is affecting their progress (Secondary Phase).</p>	<p>Year 11:</p> <ul style="list-style-type: none"> • Revision guides given to PP pupils as/when needed. • Pixl Independence password and App given to PP pupils and parents to encourage independent study. • Increased time and support allocated for independent study using knowledge organisers and other key resources. Teachers running targeted revision sessions to get pupils to understand how to work independently and effectively. • PP pupils given individual support, coaching, advice and guidance on their future education or career choices. <p>For all Secondary pupils:</p> <ul style="list-style-type: none"> • 30 x Year 10 pupils involved in the 'Envision' project. • Training offered to all staff about independent learning, homework now focusing on knowledge organisers (and use of the new school App). • Literacy coordinator: to coordinate literacy across the school; whole school approach to raising attainment and giving a link between subjects for consistency to aid and embed independent learning, confidence and resilience. An increase in pupil's literacy levels which transfers across the curriculum impacting on pupil progress and attainment. Use of the 'Thinking Reading' programme for pupils who have a reading age below their chronological age. • Numeracy coordinator: to coordinate numeracy across the school; whole school approach to raising attainment and giving a link between subjects for consistency to aid and embed independent learning, confidence and resilience. An increase in pupil's numeracy skills which transfers across the curriculum impacting on pupil progress and attainment. • Targeted homework support: to provide a safe supportive environment with additional TA support after school hours. Pupils are able to attain higher grades and are on track or exceeding their target grades. 	<p>Cost of 5 x revision guides for all PP Year 11 pupils. £312</p> <p>Lit Coordinator £2,667</p> <p>Num Coordinators £2,667</p> <p>Homework support £1,710</p> <p>Mentoring support £16,845</p> <p>Activities week subsidies £1,000</p> <p>Subsidised trips and visits and music tuition £1,500</p> <p>Envision programme £1,000</p>	<p>July 2020</p>
---	---	--	------------------

Trinity All Through School

	<ul style="list-style-type: none">• Study sessions/interventions outside of normal school hours (EG revision guides, Saturday, holiday and after school supervised sessions). All pupils have the opportunity to work in a stimulation and focused environment with expert help, support and guidance. Barriers to learning (external) are removed.• Assistant Headteacher – Director of Character Education: The programme for Character Education and personal development supports pupils to look beyond the school curriculum and develop their skills and attributes in a variety of ways with the aim of building strong, resilient and confident character. This includes workshops which support pupils in making the right choices such as SRE and Prevent workshops. Pupils take part in theatre visits, sports activities, visits to galleries and other team building activities such as paintballing, rock climbing etc. We take part in workshops and talks given by King’s College London linked to the field of medicine, as well as attending careers events both locally and in central London. We have formed a partnership with our local Independent school where pupils are supported to attend booster Maths and Science classes as well as take a GCSE Latin course. PP pupils given priority access to character based activities.• There are also a wide variety of extracurricular clubs and activities taking place daily at Trinity including subsidised music tuition.• Work experience: providing a high quality work experience provision for all Year 10 pupils. Pupils are confident and ready to make the next steps into adulthood. This impacts on their attitude to learning and helps them make progress.• Aspirational visits, speakers and workshops at school. To inspire all groups to reach their potential (including trips to high attaining 6th forms and colleges and Russell group universities). Pupils have an aspiration and link this to academic achievement and progress.• All PP pupils will be given an opportunity to attend an event (internal or external) designed specifically to aid their understanding of future education or careers EG Year 8 PP pupils attend a Goldsmiths information event day.• Subsidies offered on a case by case basis for extra-curricular visits and trips.		
--	---	--	--

Trinity All Through School

	<ul style="list-style-type: none"> • A comprehensive Character charter (See the school website) afford pupils opportunities and exposure to a range of activities to enhance their social and cultural capital. • A varied and exciting 'Personal Development' activities week is in place (July 2020) where all pupils have the opportunity to experience a range of activities again designed to enhance their social and cultural capital. 		
<p>H: There are a significant number of pupils in the secondary phase who are 'Looked After Children' (LAC)</p>	<ul style="list-style-type: none"> • The attendance, welfare and safeguarding officer leads the strategy and provision for our LAC pupils. • For Lewisham children, Personal Educational Plan (PEP) meeting are held 3 times per year for each pupil. For Southwark children this is twice yearly. • External tutors: LAC pupils given opportunities to access the core curriculum outside of school hours. Raises attainment in these subject areas. • LAC pupils and their carers are given informal 'drop in' sessions by the attendance, welfare and safeguarding officer as/when needed. • Regular contact with carers and designated social workers. Close relationship with the Lewisham virtual school including attendance at designated meetings and training events. 	<p>LAC support (including all PEPs) £5,532</p> <p>Total: £212,136</p>
