## TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

It is wonderful to be back at school following the two week Easter break. The sun has been shining and our children's smiles seem even brighter for it. I hope that you all had a restful break and are prepared for another fabulous term at Trinity.

As ever, we have got straight back into learning. Reception classes are learning lots about new life and have seen chicks hatch this week. They will also be having some fish arrive soon! Year One are continuing the theme by looking at growing. I am sure some healthy cooking will be happening as they learn all about fruit and vegetables and where they come from. Year Two are looking forward to learning about Florence Nightingale and Mary Seacole and trips to the Florence Nightingale museum have already been planned! So we have another great term ahead of us. Let's make it the best it can possibly be.

As always, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday,

### Easter Service:

What a way to end the Spring Term! All of our children looked fantastic in their Easter bonnets inside the church—a big thank you to parents and friends who helped out in their creation at home. The singing, as ever, was fantastic and we learned lots about Easter symbols of new life. Another thank you to everyone who was able to attend. You help make our wonderful school what it is.

### Water Bottles:

We are into the Summer term now and the sun has begun to shine. We want to ensure that all children have the opportunity to stay hydrated during the warmer months. Every class has a drinking tap and cups but we find that children are even more motivated to drink if they have their own water bottle in school. Please bring a water bottle (named if possible) to school if you can and help our Trinitarians stay hydrated!

### New life at Trinity!

Reception classes have had a treat this week as they have been celebrating new life at Miss K's Pet shop and by seeing eggs hatch into beautiful young chicks! The chicks will be with us for another two weeks so please feel free to come and visit them in their classes... one of the chicks has already made a guest appearance in our Thursday worship session!
