TRINITY PRIMARY NEWSLETTER

Dear Trinity families,

It has been a brilliant end to the week, with lots of children participating in our Bedtime Story Day. Everywhere we turned children were dressed up in their PJs, but thankfully no sleeping occurred in class! Pictures will be in next week's newsletter.

I very much hope to see you all at the Summer Fair tomorrow, which there are details of overleaf. Next Friday is our Trinity Primary Sports Day at Manor House Gardens. Please see the letter attached for details. And keep your fingers crossed that it doesn't rain!

As always, I wish you the very best of weekends, full of rest and fun, ready for learning on Monday,

Darren Janes
Head of School
Trinity Primary

Trinity Children Attend the Ladies' Hockey Championship:

A big thank you to Sam in Year One's dad, who organised tickets for our Year Ones to visit the Olympic Stadium to watch the Ladies' Hockey Championship. All of our children made brilliant spectators and enjoyed a fabulous day of cheering and whooping for their favourite side!

PAFT Summer Fair:

We hope to see as many parents as possible tomorrow at the Trinity Summer Fair, which is being held on the Primary site for the first time.

The fun will begin at 12pm and continue until 3pm. Lots of stalls with fun activities and items to purchase will be set up, ready for all the family.

Mrs Bibi-Thompson has kindly arranged for the children to perform at the event at 12:30pm. If you would like your child to sing or want to watch please be there for that time... it will be the perfect time to learn how to '....'

The raffle has a fantastic prize this year, tickets to 'Chilled in a Field' Festival, which are worth £250. Please see Barbara, Chair of the PAFT, for more details.

As we said last week, fingers crossed for sun!

Thank You Parents!

Well done Trinity Families! A while ago, we set the challenge of collecting enough Sainsbury's vouchers to be able to order a basketball stand and hoop for the playground. We are pleased to announce that we have met the target and the equipment is currently on order... all thanks to our wonderful community.
