

15th September

Dear Trinity Families,

Re Parent's Evening

Parent's evening will be earlier this year, just three weeks into term, on Wednesday 28th September and Thursday 29th September. This means you will have the chance to have any questions about routines answered by class teacher and find out how your child is settling in. For Year 2 and Year 3 parents it is a chance to have a look upstairs at the wonderfully displayed new classrooms.

To make an appointment with your child's teacher, the sign up boards will be under the shelter in the playground from this Friday. Parents who do not come into the playground will be able to contact Mrs Browning in the office on **0208 325 4551** to make appointment.

Please sign up!

Thank you for your support

Yours sincerely

Mr D Janes

Head Teacher
