Executive Headteacher:
Mr David Lucas BSc (Hons) MA NPQH

11 September 2017

Dear Trinity Family,

We would like to invite you to a **Year 10 Parent/Carer Information evening on Thursday 5th of October 2017, from 6pm to 7.15pm.**

The evening will consist of an introductory talk at 6pm by Executive Headteacher David Lucas, followed by an important talk on PPE exams, information on targets and academic progress by Ms O' Neill and then Mrs Hanlon will speak on Trinity Post 16 options.

You will then be given talks by the core subjects: English, Maths, RE and Science. The aim of the 'core talk' is to give you information about the GCSE exams in these subjects, and tips on how to support your child in preparation for their pre-public exams in November (before they go on work experience) and public exams in Year 11. You will find out about the texts and topics on which your child needs to focus. We will also provide you with information about useful websites and revision materials which will help support your child's independent study in order that time spent outside school makes a substantive difference to their GCSE grades.

As you know, the partnership between home and school is particularly important during GCSEs, which can be a very stressful time for pupils. Therefore we want to support you in helping your child organise their independent study time effectively in Year 10 in preparation for next Year when they will sit their GCSEs.

We look forward to welcoming you on the 5th. Please do make every effort to attend and return the slip below to the main reception to show that you have received this invite and show your intention to attend. This will help us organise adequate resources for the night.

If you have any queries regarding the above please do not hesitate to contact me at school.

We look forward to seeing you on the 5th of September.

Yours sincerely,

Miss A O' Neill

Head of Year 10
