

CHANGES TO WEEKLY HOMEWORK

This year we have changed the way we will be delivering homework. Homework will now take place in two forms:

- **Compulsory Homework (must be completed each week)**

Every child will be set a maths task linked to what they have been learning in class.

⇒ Reception and Year 1 will be set this as a worksheet in a designated folder.

⇒ Year 2, 3, 4 and 5 will be set this online via the Mathletics website.

When your child logs into Mathletics, they will be asked to complete a task before doing anything else. This task will be their homework.

- **Optional Homework (will be set on a half termly basis)**

Each half term the children will be given a Learning Log that is linked to their topic.

On the learning log there will be six suggestions of activities that you can do at home.

You can do all of them, some of them or complete your own tasks linked to the topic.

During the last week of each half term, the class will be set a date where they can bring in their learning log and anything they have made.

On this day they will share their home learning with the rest of the class.

PHYSICAL EDUCATION AT TRINITY

This document outlines the guidance on Physical Education at the Primary Phase:

PE Kit

- On your child's PE day, they will now be able to come to school wearing their PE kit.
- The expected PE kit is:
 - ◇ White t shirt (this does not have to be the official Trinity t shirt but must be plain white)
 - ◇ Dark coloured shorts/ jogging bottoms
 - ◇ Dark coloured jumper
 - ◇ Plimsolls or suitable trainers

Forgotten PE Kit

Every child will always participate in PE lessons.

If your child forgets their PE kit they will be asked to change into the spare PE kit that will be kept in the class.

You will then receive a text so you are aware it will need washing and returning to school.

WHAT IS THE TRINITY CHARTER?

This year we are launching our Trinity Charter!

This is a booklet that showcases all of the experiences your child is entitled to whilst in school.

At the end of Year 2, Year 4 and Year 6, every child will be awarded the Trinity Charter Merit Award.

However, children have the opportunity to gain the Distinction Award.

To gain the Distinction Award, your child will have to complete at least 7/10 of an extra set of achievements.

If your child achieves one of the distinction achievements, they must bring in a piece of 'evidence' to share with the class and their teacher will mark it off in their book.

You will find the list of experiences and achievements for the Merit and Distinction Awards in this week's newsletter and on the school website.

Trinity Charter

What makes our curriculum as different and as unique as your own child?

At Trinity we believe that children are entitled to a broad and balanced curriculum that develops the whole child. With this entitlement, our children will have access to new experiences and have a life-enhancing encounter with the Christian faith.
